Inspection Report on the house of B. Somanaltada Head Master Government Girl's School, situated in Basavanguddi Extension

---

I inspected this house on the 21st. Instant. The Municipal sub-overseer accompanied me to help me in the valuation of the house & other technical matters.

From the Registers maintained in the Treasury it is seen that the first advance of Rupees 5409 has been fully paid up. The owner stated that the site value had been cleared.

My rough valuation of the house is Rs 250/- & the Municipal sub-overseer's valuation is Rs 315/-

The original advance does not seem to have been fully utilised on the structure.

It is submitted that the advance applied for may not be granted for the reason stated above and for the reason that the value of the house is insufficient security.
